*Focused on The Engineered Environment*

June 2009

Welcome to SOLUTIONS, a monthly newsletter provided by Jacco & Associates. Jacco's focus on system knowledge provides you with the engineering support and product solutions for your applications.

June Feature:

## CUSTOM & REPLACEMENT COILS

As you come across replacement coil projects don't forget to call your Jacco representative. Aaon manufactures a complete line of custom HVAC coils to fit any and every project. We will go to the job site and size a proper replacement at no charge to insure a smooth and simple changeout.

### Custom Coils:

- ◆ 3/8", 1/2", 5/8" coils
- ◆ Options include:
  - ◇ Phenolic coating
  - ◇ Copper fins
  - ◇ Stainless steel casings

### Pre-Engineered Booster Coils:

- ◆ Alternative to custom coils
- ◆ **IN STOCK**
- ◆ 1/2" & 5/8" copper tubing
- ◆ Sweat & MPT connections
- ◆ 1 & 2 row configurations
- ◆ 6"-60" distance between end plates
- ◆ 8-12 FPI selections
- ◆ U-Flange or slip & drive galvanized casings

In order to insure all coils are ordered properly, Jacco will send a salesman to the job site to measure and check all coils, at NO CHARGE.
